

Welcome to the VDMA Textile Machinery Webtalks!

Before we begin

Ask your questions during the webinar in the question/chat window. These are answered in a Q&A session after the presentations or after the webtalk.

Only for participants who stay until the end: one hour after the webtalk you will receive the company presentations by email.

The video recording will not be published.

Technologies for fine gauge fabrics in the circular knitting industry

Moderation: Boris Abadjieff
Textile Machinery Association, Frankfurt

Who we are

- » **Mechanical Engineering Industry Association**
- » **founded in 1892: more than 125-year-old history**
- » **Largest Industrial Association in Europe**

- » **3,374 member companies**
 - » 223 member companies outside of Germany (EU, EFTA)
 - » 1.3 million employees
 - » € 230 bn turnover in 2019
 - » 79 % export share
 - » ~ 10 % expenditure on research and development

- » **Headquarter in Frankfurt**
 - » Representations in Austria, Belgium, Brazil, China, India, Japan, Russia

- » **39 specialized sectors / Associations**
 - » Textile Machinery Association: 120 member companies

Welcome to our participants from 49 countries

- » Argentina
- » Austria
- » Bangladesh
- » Belgium
- » Brazil
- » Canada
- » Chile
- » China
- » Colombia
- » Czech Republic
- » Egypt
- » Ethiopia
- » Finland
- » France
- » Georgia
- » Germany
- » Greece
- » Honduras
- » Hong Kong (PRC)
- » Hungary
- » India
- » Indonesia
- » Iran
- » Italy
- » Japan
- » Lebanon
- » Lithuania
- » Mauritius
- » Mexico
- » Netherlands
- » Norway
- » Pakistan
- » Portugal
- » Russian Federation
- » Serbia
- » Singapore
- » South Africa
- » South Korea
- » Spain
- » Sri Lanka
- » Switzerland
- » Taiwan (PRC)
- » Tunisia
- » Turkey
- » United Arab Emirates
- » United Kingdom
- » United States
- » Uzbekistan
- » Vietnam

Agenda

2.10 pm – 2.30 pm: “Fit in fine gauges: circular knitting machine builder Mayer & Cie. shares expertise from E36 to E60”

Wolfgang Müller, Director of Sales and Services, Mayer & Cie., www.mayercie.com

2.30 pm – 2.50 pm “High precision knitting elements for the manufacture of fine gauge fabrics”

Roland Simmendinger, Vice President Product Development Knitting, Groz-Beckert, www.groz-beckert.com

2.50 pm – 3.10 pm “Solutions for dyeing fine gauge circular fabrics”

Ralf H. Stange, Sales Manager Far East/ UK, Thies, www.thiestextilmaschinen.com

3.10 pm – 3.25 pm Q & A

Nicolai Strauch, VDMA Textile Machinery

3.25 pm – 3.30 pm Summary and outlook

VDMA Textile Machinery Webtalks

Question and Answer Round

**Moderation: Nicolai Strauch,
Textile Machinery Association**

Next Textile Machinery Webtalks

- » **March 2021: Textile Machinery Webtalk goes Industryarena**
 - » more technology and application-oriented webtalks from VDMA member companies
 - » VDMA members can also hold presentations together with their customers (textile or nonwoven manufacturers) and/or textile research institutes
- » **We will invite you by email (including agenda and registration link)**
- » announcement on The LinkedIn logo, consisting of a blue square with the white lowercase letters 'in' inside.
